

JOIN TSA FOR A BUS RIDE TO DOWNTOWN GRAPEVINE!

EXPERIENCE THE ART OF GLASSBLOWING, ASSIST IN MAKING YOUR OWN PIECE, OR DO SOME SHOPPING IN THEIR GALLERY.

Glass artist David Gappa founded Vetro in 1999. During that time, Gappa cultivated a team of glass artists who perform their art of glassblowing in Vetro's state-of-the-art working studio. The studio and attached fine art glass gallery are located in the historic district of Grapevine, Texas. In addition to creating fine art glass, Vetro artists enjoy educating the public about this ancient art form through live demonstrations. Simultaneously, Vetro's friendly and inviting gallery staff create a relaxed and comfortable gallery atmosphere in which to browse and shop.

Gaylord has displays of their work all around the hotel, enjoy their beauty then go get some of your own to take home!
