Hello to All Texas Sign Association Members! What a turn of events it seems that we have been thrown into within the last couple of months. We are all going through some uncharted waters within the Fight against Covid-19 and are doing our best within such. While we are very disappointed that we did need to Cancel the Convention this Year at Horseshoe Bay, we will continue to do all that we can to be a resource for information within our industry as well as be there to support all Members, to the best of our Ability. We Ask that everyone continue to have Faith, have a Positive Impact where you can as well as please do send any and all information to us for anything that Any Members are doing within the Fight of Covid-19. Please do also let us know if there is any way that The Texas Sign Association, Myself or our industry as a whole can help, within these trying times. We are up for all the Good Ideas that we can get @ this point. Stay Safe!

The hard times will pass, the knowledge gained within the trials and tribulations will make us all stronger in the end.
