From the TSA President

Happy September to all of our Texas Sign Folks out there!!!

It would seem that we are starting to see an increase of production on the business side of things and that we are also slowly getting back to normal.

We did have a recent board meeting (last week) and it was decided that a good majority of our Strategic Plan meeting would be put off until November. We are hoping that in between now and then we will continue to see that of a positive progression within our Economic and social state. If that is the case, we will be hopeful that we will be able to be discussing the planning of our 2021 Conference at Kalahari Resort in Round Rock, TX!

Until then, we will continue to be creative within our Membership engagement as well as providing valuable resources to our Members!

Thanks again for everyone's help within making the best of what we have to work with and also wish you all to have a Blessed, Safe and Productive remainder of our 2020! Matt
