From the TSA President

Fall is in the Air!!!

With the change of seasons, an upcoming election in conjunction with our Board Meeting in November, we are ever hopeful for a change of the tides, in the near future.

In the Meantime, the Texas Sign Association does have a lot of ongoing and upcoming events that we are planning. These will be for Membership engagement but also planned around the safety guidelines in place to ensure we are protecting all Members.

I would encourage you all to get active and participate within the webinars that TSA is hosting as well as get SIGNED UP ASAP for the Golf tournament this week and also work to get registered for this Year's conference in Round Rock, as well. Going to be a great time!

Wish everyone to have a phenomenal last quarter, stay safe out there and look forward to seeing you in the near future! Matt
