

Production Associate

OnSiteDecals, LLC is a premier designer, manufacturer, and installer of emergency and commercial fleet graphics. We are known for our unmatched standards of quality and our commitment to service.

We are seeking a Vinyl Graphics Production Associate to join our fast-growing production team.

Responsibilities:

- Work in collaboration with the graphic design team and logistics to produce vinyl graphics
- Review production orders to print and process graphics to management and customer specifications
- Weed, tape, cut, and pack graphics for install or shipping
- Maintain production records and all lot numbers within our proprietary system
- Print using HP and Roland commercial printers
- Manage color profiles and preserve color matching
- Inspect printed materials for quality control, identifying and addressing any issues with color accuracy, resolution, or print defects
- Operate Summa flatbed, routing, and Graphtec machines
- Maintain inventory record keeping and order supplies
- Work to deadlines and meet daily quotas
- Other duties as assigned

Qualifications:

- Minimum of 1 year experience in production or using commercial printing equipment
- Familiarity with Flexi, Go Produce, and Onyx software
- Deadline and detail-oriented
- Self-motivated and solution oriented
- Adaptability to work in a fast-paced environment and multitask on multiple projects simultaneously
- Can regularly lift 75 lbs

Benefits:

- \$17-21/hr based on starting experience

- Health insurance
- Dental and vision insurance
- Holidays and PTO

Job Type: Full-time

Schedule:

- Monday to Friday

Experience:

- Large Format Printing: 1 year (Required)
- print/production: 1 year (Required)
- Summa Flatbed Cutter: 1 year (Preferred)
- HP Printing: 1 year (Preferred)
- Roland Printing: 1 year (Preferred)
- Vinyl Graphic Production: 1 year (Required)

Work Location: In person
